

SAFER INTERNET DAY TAKE HOME ACTIVITY

Today in school we celebrated Safer Internet Day. A day to promote safe and responsible use of the internet, so that we can make the internet a safer and better place for all, especially for children.

ANTI CYBERBULLYING RAP - I LIKE IT: CHECK YOUR UNDERSTANDING

The Anti Cyberbullying Rap - I Like It, was created by GMCBeats and Webwise Ireland to promote an anti-bullying message to celebrate Safer Internet Day.

Song and Lyrics available here: webwise.ie/safer-internet-day/anti-cyber-bullying-rap-i-like-it/

As part of learning how to stay safe while chatting online we listened to the 'I like it' rap. Complete the grouping activity below to check your understanding of the ways to stay safe online and advice on what to do if you are being cyberbullied mentioned in the 'I like it' rap.

Listen to the song at webwise.ie/safer-internet-day/anti-cyber-bullying-rap-i-like-it/

Listen to the song again then put the actions (a-f) into two groups - things you should or shouldn't do online.

- a. tell someone you trust if you see something online you don't like.
- b. let bullies upset you without taking action.
- c. stay silent if you are having problems online.
- d. reply to mean messages from bullies.
- e. block trolls and people who bother you online.
- f. report anything that upsets you to the website or app you're using.

You should...	You shouldn't...

Now talk about this together. What is one thing you should do if you or someone you know are being cyberbullied?
